

Smart Sound IQ Earphones

Listen Carefully

Smart Sound IQ earphones are engineered with high quality audio components and deliver exceptional sound reproduction coupled with a broad dynamic range. Our earphones offer a lightweight high performance listening experience for those on the go. Each model is available with a built-in MIC with Call Answer/End for use as a mobile phone headset. Low Performance can be a result of Low Quality Components, Poor Air Seal in the Ear Canal and Designs based on aesthetics and not efficiency. PNY Audio LabsTM is incorporating technologies that maximize performance at Safer Listening Levels.
