**Subject: End of Life (EoL) notification of PNY® Prevail Series SSD**

Dear Customer,

PNY® has decided to discontinue the Prevail Series SSD (2.5", SATA III, 7mm and 9.5mm) offering and will follow the last time buy schedule as identified below. Last time product fulfillment is subject to availability.

As an alternative product, PNY® will provide CL4100 series of client OEM grade SSDs and EP7000 series of Enterprise OEM grade SSDs. These meet or exceed all requirements of Prevail series SSDs. CL4100 and EP7000 OEM grade SSD have gone through rigorous product validation and qualification cycles with the latest MLC NAND Flash memory technology to meet the segment requirements.
