

PowerPack Hidden Cable Series

Portable Rechargeable Battery
for Smartphones

Live Mobile: Stay Charged

Slim, compact, and lightweight — the PowerPack Hidden Cable series rechargeable batteries extend the life of your smartphone by up to two full charges*. Convenient built-in Lightning cable for your Apple iPhone (L3000), or built-in Micro-USB cable for your Android smartphone (M3000). The included Micro-USB cable lets you easily recharge your PowerPack. Know when it's time to recharge with the simple LED indicator, which uses four lights to display the PowerPack's battery level status. The portable pocket-sized design is small enough to keep with you at all times, so you can stay charged and stay in touch.
