

PATENTED DESIGN

Patented Technology locks down the NEW MacBook Air & MacBook Pro with Retina display

MacBook Locking System

P-TSAL1-RB

ThinkSafe™ Portable MacBook Locking System by PNY safely secures your MacBook Air, MacBook Pro, MacBook Pro with Retina display, or iMac via your device's hinge or built-in slot.

The patented hinge-locking and patent-pending slot-locking designs utilize Hinge-Link™ and Slot-Link™ technology, providing a secure and universal fit. Plus, the factory installed 4-digit combination code grants the ultimate in security. Protect Your World!

BENEFITS

- MacBook Locking System engineered to work with MacBook Air, MacBook Pro, MacBook Pro with Retina display, and iMac
- Clean & convenient out-of-the-way locking solution. Does not obstruct ports on the side of your MacBook
- Patented hinge locking design provides the only solution available to lock your MacBook Air or MacBook Pro with Retina Display
- Compact size; easy to transport with included travel pouch
- Easy to Use: Hinge-Link™ inserts through the hinge of the MacBook in seconds
