

PRO Elite Memory Cards

90MB/s Write – 95MB/s Read Speeds

PRO ELITE FLASH MEMORY CARDS

Capture the Action. Relive the Moment.

PNY PRO Elite Memory Cards are the peak of performance for smartphones, tablets, action cameras, drones, DSLRs, video cameras and more. These cards deliver the write speed you need to capture stunning video using the latest high-resolution standards, ready for today's 4K Ultra-HD devices. Experience memories that feel as real as the day you captured them. Enjoy more mobile content such as 4K videos, HD pictures, music, apps and more. PNY PRO Elite memory cards are Class 10/U3 speed rated, which provides fast transfer speeds so you can quickly transfer and share your content.

Ultimate storage solution for getting the most out of your smartphone or tablet. Store more 4K Videos, HD photos, music, apps, files and more!

PNY PRO Elite Memory Cards are UHS-I U3 Compliant, which will provide the ideal capture performance for use in DSLR.

Take your imagination to new heights, capture burst mode pictures and 4K videos with your drone's action camera. PNY microSD Cards are built to last and can withstand the toughest conditions and weather.

Never miss a moment, capture fast action moments using your cameras burst mode or 4K video capture.
