## TURBO ATTACHÉ 3 USB 3.0 FLASH DRIVE

PNY's Elite Turbo Attaché 3 USB 3.0 is built for speed & convenience. Experience USB 3.0 next generation speed performance with transfer speeds up to 100MB/s read and transfer speeds up to 10x faster than USB 2.0. It's the perfect solution for easily storing and quickly transferring all your large documents, high-resolution photos, HD videos, and more. USB 3.0 offers the same ease-of-use and plug-and-play capabilities as previous generations of USB technologies, but with exceptional speed improvements. Designed for Reliable Portable Storage, PNY's Elite Turbo Attaché 3 USB 3.0 Flash Drive is designed with convenience and portability in mind. The portable, light-weight Flash Drive incorporates a sliding collar cap less design that means for no more lost caps. This USB 3.0 Flash Drive is small in size, but big on performance!

- The durable, light-weight design of the Turbo Attaché 3 USB 3.0 Flash Drive is the essential mobile storage solution
- Featuring read speeds of up to 100MB/s and transfer speeds up to 10x faster than standard USB 2.0 flash drives
- Convenient sliding collar, and cap-less design protects your content when not in use
- Essential for transferring large files such as movies, videos, photos, music & documents
- Compatible with most USB 3.2 Gen 1/USB 3.0 PC and Mac laptop and desktop computers, backwards compatible with USB 2.0
